# Lesson 1 – Drumatic

Learning Objective - To create two original drum loops using BandLab, experiment with the drum kits available and create a 12 bar phrase.

What will I learn?

1
1. Know how to log in.
2. Choose a drum kit.
3. Create an original drum loop.
4. Know how to add a drum pattern to the arrange window.

2
1. Alter the volume using the volume tool.
2. Experiment with effects.
3. Ask someone to listen to your music.
4. What do they like/dislike about it?

3
1. Experiment by adding another drum pattern over the top.
